Re: SIDE LETTER AGREEMENT - CONFIDENTIAL

#AR-WBF1-1230
Jefferson County, AR

July 29, 2025

Dear Berida Toliver Monson,

This letter agreement is in connection with the Solar Lease Agreement (AR-WBF1-1230) (the "Solar Lease"), between Plum Bayou Solar ("PBS") and Berdia Toliver Monson ("Owner"). Capitalized terms used in this letter agreement without definition have the meanings ascribed to them in the Solar Lease.

PBS and Owner acknowledge and agree that PBS may perform certain work in 2025 on the following portion of the Property: Real Property Parcel No. Parcel Number 001-03634-000 (the "Parcel"). The work will consist of driving 40 helical piles in 1 location on the Parcel, as indicated on Exhibit A (the "Initial Work"). The Initial Work will not include grading.

PBS anticipates that the Initial Work will begin between August 4 – August 11, 2025, and will be completed by August 17, 2025.

Prior to entry onto the Parcel, PBS will pay (i) \$5,000.00 to Owner, and (ii) \$3,000.00 to the tenant farmer who farms the Parcel.

PBS, at its option, will clear crops on the Parcel in the Initial Work area and any area to be used for an access road ("Crop Clearing"), or ask Owner to perform the Crop Clearing on areas of the Parcel identified by PBS. If Owner performs the Crop Clearing, Owner will complete the work within 3 days of request by PBS. If Owner timely performs the Crop Clearing, PBS will pay Owner \$1,000.00 within 30 days after Owner's completion of such work.

If Owner commences the Initial Work, PBS will compensate Owner for crop damages at the rate of \$1,200 per acre, with a minimum crop damage payment for 3 acres, or \$3,600.00, due on or before December 1, 2025 ("Crop Damage Payment Due Date"). Survey work, photography and any other non-invasive work on the Parcel that is not part of the Initial Work may be completed at any time.

If Start of Construction on the Project does not occur prior to September 1, 2026, PBS will either:

- (i) Remove piles and perform grading in the areas of the Parcel as directed by Owner; or
- (ii) pay Owner \$3,600 on or prior to September 7, 2026, and on each anniversary of such date until piles have been removed and grading has been performed.

Upon your acceptance hereof by signing in the space provided below, this letter agreement shall constitute a binding agreement between the parties, their respective heirs, successors, and assigns. All parties hereby acknowledge the receipt and sufficiency of good and valuable consideration for their obligations hereunder. This letter agreement shall be supplemental to and shall not amend or replace any of the terms or conditions of the Solar Lease.

IN WITNESS WHEREOF, the parties have executed this letter agreement the day and year written above.

AGREED AND ACCEPTED
