Re: Lease Payment Setup for Assignment of Solar Lease Agreement with Plum Bayou Solar LLC ("Agreement") dated 11/17/2021 (Agreement #AR-WBF1-1230)

Dear Owner(s):

You should have received notice from Plum Bayou Solar LLC ("Plum Bayou") that Plum Bayou, as Lessee under that certain Solar Lease Agreement dated 11/17/2021 by and between Plum Bayou and Berdia Monson and/or ancestors in title ("Lease"), has assigned the Lease to Entergy Arkansas, LLC ("Entergy"), a Texas limited liability company, pursuant to an Assignment and Assumption of Real Property Interests dated April 29, 2026 ("Agreement"). A copy of that recorded Agreement is enclosed for your records.

In order to continue timely payments pursuant to the terms of the Lease, Entergy requests that you provide certain documentation for payment setup. Please fill out, scan, and return to Entergy via email to tmaye91@entergy.com the following documentation for each designated payee, if applicable:

1. New Vendor Form (enclosed) – Note, in Section 1 the "Supplier Name" is the Payee's name
2. Payment Instruction Form (enclosed)
3. If you would like to be paid by direct deposit (ACH), one form from the list below is also required:
 - a. Voided check
 - b. Bank statement: must show full account number and bank routing number
 - c. Letter from bank: must show full account number and bank routing number

If additional New Vendor Forms are required due to multiple designated payees, please reach out and we will provide you with additional copies.

Important note: Once Entergy receives the above documentation, you will receive a phone call for a verbal verification of the information in the New Vendor Form - please be sure to answer this phone call to expedite the verification process. After the verbal verification, Entergy will follow up with an email for written verification of the information in the New Vendor Form - please be sure to respond to this email to finalize the verification process for payment. **Important note for verification process:** At the bottom of page 2 of the attached New Vendor Form there is a section
